- ✦ Explore vineyards and olive groves and meet the growers who will share insights into how Italy's *terroir* lends unique flavors to their wines and oils.
- ✦ Enjoy the romance of a gondola ride along the serene canals of Venice, or step upon the stage in Rome's Colosseum and feel the presence of gladiators from ancient times.

Let CIE Tours' travel specialists handle every detail to create your perfect trip to Italy.

✦ **Hand-Crafted Itineraries**

We meticulously tailor every detail to your preferences.

✦ **Experienced Guides**

Unwind as your drivers and guides take care of all the logistics and share stories of their fascinating country and culture.

✦ **Luxurious Accommodations**

Choose from the timeless elegance of enchanting palazzos to the stylish luxury of seaside retreats and contemporary boutique hotels in the heart of the city center, steps away from museums, restaurants, and shops.

✦ **Cucina Italiana**

Italian cuisine is a celebration of simplicity, fresh ingredients, and a deep connection to regional traditions. From fresh pasta to seafood and wine, you'll be able to taste the Italian passion for food in every bite.

Go where you want, when you want... with as many as you want. Imagine the possibilities:

Explore your heritage with the whole family, including the young and the young at heart. Discover ancient history, medieval architecture, and Renaissance artworks. Bring along foodie friends to savor Italy's delectable cuisine and wine.

Perhaps you need (or want) to experience Italy at a slower pace, with extra time to get around. Or maybe you're looking for a romantic celebration for two.

We'll design your itinerary based on where you'd like to go and see, and the number of people in your traveling party. Your drivers and guides are ready to share their love of Italy with you. Whether it's a private driver vacation for up to 9 travelers, or a customized group tour for 10 or more, the only limit is your imagination.

We can personalize your itinerary to suit any interest.
